#### **About Infused Grapeseed Oils**

All our infused grapeseed oils – roasted garlic, basil, lemon, chili and rosemary - shines with delicious fresh flavors, making them ideal as “liquid spice” to dip, drizzle or marinate for all your cooking possibilities! Our new white truffle grapeseed oil is a wonderful addition to your pantry – a little drop goes a long way! All our infused grapeseed oils are made with only the highest quality grapeseed oil and infused with all organic ingredients - just fresh herbs and spices without any artificial flavorings or food colors.

They are beautifully packaged in specially designed 97%UV filtered glass bottles, which protect the oil from the harmful effects of light. They are delicious by themselves and as the new essential ingredient to enhance your favorite dishes. World class chefs have known for years the flavor carrying qualities of grapeseed oil, and their cuisine has set the standard. Now the home chef can enjoy the same ease and excellence by using ***Salute Santé! Infused Grapeseed Oils***.

#### **About Food & Vine™, Inc., and Salute Santé Grapeseed Oil**

Food & Vine, Inc. introduced the original grapeseed oil to the American market in 1994 through the Salute Santé! brand. In 2017 *The Original Grapeseed Oil* is Now Cold Pressed. In 1997 they added 5 infused oils – roasted garlic, basil, chili, rosemary and lemon – then moved forward to cold press varietal grape seeds in Napa Valley in 2010 - Chardonnay, Merlot, Cabernet Sauvignon and Sauvignon Blanc. Food & Vine, Inc. has remained the industry leader and primary innovator of grapeseed products. Additionally, Salute Santé! offers grapeseed flour which is made from the defatted press cake after the varietal grapeseed oil production.

The company’s high quality products are matched only by its environmental responsibility. Green America Business Network has certified Food & Vine, Inc. as a green company that seeks out environmentally friendly methods wherever possible, as evidenced by their production methods, recycling programs and the grapeseeds themselves. Salute Santé! is verified by the Non-GMO Project as a GMO-free product, certified Kosher by Star K and is the only brand that is 3rd Party Certified 100 percent Pure Grapeseed Oil.

#### **Facts about Grapeseed Oil:**

Grapeseed oil’s inherent culinary qualities, such as high smoke point (485 degrees), neutral flavor profile, emulsification properties, and visual clarity, make it an invaluable addition to the kitchen and dining table of fine cooks and gourmards alike. The health benefits of grapeseed oil make it equally important to the health conscious. Salute Santé! Grapeseed Oil is high in antioxidants, vitamin E, and beneficial Linoleic fatty acid (about 10x more than olive oil), while low in saturated fat (about 50 percent less than olive oil). Studies show that grapeseed oil may raise HDL “good” cholesterol and lower LDL “bad” cholesterol and triglycerides, reducing the risk of heart disease, stroke and diabetes.
